in Maine and its ability to make a meaningful difference.

Form 990, Part III, Line 1, Description of Organization Mission:

learn from each other. It helps grant seekers research funding sources
and keep apprised of current grant opportunities and provides programs
and activities that link grantmakers and grant seekers, allowing them
to share information and build relationships.

Form 990, Part III, Line 4a, Program Service Accomplishments:

for people across the nation and right here in Maine, while the Fall
Forum challenged nonprofits and grantmakers to decolonize their work.

MPC is also building a more active focus on the role of the
philanthropic community in advocacy on issues of importance to our
sector. We continued our effort to raise awareness around Census 2020
and the role that funders can play to help assure a fair, accurate and
complete count and supported the Maine Census Fund.

MPC continues to encourage and support funder collaborations in early
childhood, education, oral health and immigrant/refugee communities
while also serving as the fiscal agent for the Environmental Funders
Network (EFN). These groups exchange information, explore new ideas and
consider joint/aligned funding opportunities. This year, EFN supported
programs on climate change, aquaculture, and sponsored a funder tour of
the Katahdin Region. The corporate funders group explored such topics

as selecting pillars of giving and employee assistance programs.

MPC offers services to help nonprofits enhance their grant seeking skills and potential such as monthly tutorials, monthly electronic grant advisories and the Directory of Maine Grant makers.

The Maine Philanthropy Center promotes broad public awareness of philanthropy in a variety of ways including the publication of an annual Maine giving report, and a public website with local and national data about charitable foundations. Our Get on the Map project with funders is designed to further enhance our philanthropy reports by improving the accuracy and availability of current, detailed grant making data across our region.

MPC is affiliated with the Foundation Center, a national nonprofit that tracks foundation information. Through this agreement, MPC maintains on-site library resources including public access to the Foundation Center's searchable national database of foundations. In 2019, we hosted 235 visits from nonprofit organizations who came to the USM library to research foundation information. In addition, MPC members can directly access the Online Directory of Maine Grant makers, a database of 391 funders that are active in Maine.

Form 990, Part VI, Section A, line 6:

The Organization offers several categories of membership: Grantmaker Members, Associate Members, Philanthropic Advisors and Individual Philanthropists. Grantmaker members include organizations that make financial grants to nonprofit organizations in Maine and may include

private foundations, community foundations, corporate foundations/giving programs and public charity grantmakers. Associate members include nonprofit organizations and consultants/professional advisors serving nonprofits. Philanthropic advisors are those who are providing services and consultation to funders, both organizations and individuals. Members in all categories receive the benefits of membership including access to programs and online resources.

Form 990, Part VI, Section B, line 11b:

The MPC Finance Committee and MPC President review the draft 990 at their May meeting or as soon as available and make suggestions for corrections, if needed. The MPC Board reviews the draft 990 at their June meeting and makes suggestions for corrections, if needed. The MPC Executive Committee then approves the final 990 at their August meeting before it is filed.

Form 990, Part VI, Section B, Line 12c:

Each member of the MPC Board and Staff is asked to review the Organization's conflict of interest policy each September and self-disclose any potential conflict of interest by completing and signing a disclosure statement. The reported conflicts are reviewed by both the MPC President and the MPC Board Chair.

In the case of an actual or possible conflict or appearance of conflict, it is the responsibility of the affected MPC Board, committee or staff member to disclose it prior to any related decisions being made by or for MPC. In cases involving a board or committee member, once such disclosure has been made the remaining board or committee members will determine whether or not there is a conflict of interest; if they determine that there is a conflict

of interest, the director or committee member involved shall not vote or use personal influence on the matter, and the minutes of the meeting shall reflect such disclosure as well as that the individual involved did not vote; however, if so requested by a majority of the other members present, may remain in the room to answer questions of a factual nature that may assist the board or committee in its deliberations. In cases involving a member of MPC staff, the MPC President (or if the President has the potential conflict, the Chair of the Board) will determine whether or not there is a conflict of interest. An individual who is unsure whether his or her circumstances involve an actual conflict should err on the side of disclosure.

Form 990, Part VI, Section B, Line 15:
