

New England Funding Panel Role & Commitment

Role and Function

Funding Panel Members collectively determine grant awards for the region according to Haymarket's mission, vision, and principles. Through their organizing and through accountability to their constituencies, Funding Panel members help shape Haymarket's work for justice and equity across New England.

The New England Funding Panel works with the Haymarket staff to carry out grantmaking duties and is accountable to the Haymarket Board of Directors. The Board approves all Funding Panel nominations.

Composition Guidelines

The New England Funding Panel is comprised of up to 18 community organizers from across the six New England states. Ideally, there will be three members from each state, representing a range of issues and urban and rural regions, according to broad goals by the Board of Directors. The Funding Panel's membership will be majority people of color, and meet Haymarket's values of inclusion around age, gender, sexuality, ability and class.

Commitment

Terms are for 3 years with the option of extending for a 4th year, with the first year being conditional based on mutual evaluation.
